Membership Information

1. Introduction
2. Membership Categories
3. Benefits and Entitlements
4. Standards of Qualification and Practice
5. Serving the membership – the National Council

1. Introduction

This document describes the different membership categories and benefits of membership to RNZ, its aim is to help you choose the most suitable category which best suits your needs. Further questions can be directed to the Membership Coordinator whose contact details are given at the end of the document.

RNZ is a national organization, which operates as a non-profit, non-political, professional body to support its members. Membership of RNZ is open to anyone.

Mission

RNZ supports Reflexology practitioners by:

- Setting and maintaining standards of practice
- Actively promoting Reflexology to the public as an accepted and desired modality in Primary and Secondary Healthcare to the public and official bodies
- Promoting the professional advancement of Reflexology through reflective practice and research

Vision

To be the recognised professional body for Reflexology in New Zealand, inspiring and promoting the highest standards of practice.

Purpose

RNZ is committed to enhance the professionalism of Reflexology in order to achieve excellence in the delivery of professional health care to the community at large, by means including the following:

Education

To develop and uphold standards for the education of Reflexologists and develop, implement and evaluate ongoing education for its members.

Research

To encourage its members to plan, research, implement, evaluate and publish relevant results of Reflexology and practice.

Support

To provide a support network for its members, creating a co-operative climate and encouraging input from all members.

Register

To compile, maintain and make available a register of Reflexologists.

Public Forum

To make representations to relevant authorities on issues of concern to Reflexologists and to serve as an Advisory Body for such authorities.

Communication

To maintain contact and co-operate with other Affiliations, National and International, having aims and objectives similar to those of RNZ, thus enhancing the work of RNZ.

Public Relations

To increase public awareness of the benefits of Reflexology and its training standards.

Benefits

Newsletter, local network groups, conferences, professional support, promotions, sponsored support by the RNZ.

2. Membership Categories

Professional Members - \$150 plus \$30 application fee

Professional membership is open to practitioners of reflexology who meet the standards of qualification and practice recognised by the RNZ Membership Committee. Professional Members can apply for membership to the New Zealand Charter of Health Practitioners and are entitled to use the designated MRNZ after their names. Please see below for details of standards of qualification accepted and benefits and entitlements of membership.

Instructor Status - \$80 application fee

Professional Members can apply for Instructor status. The Professional member is required to have completed a minimum of three years reflexology practice, and hold a recognised Adult Training and Education Certificate or equivalent experience. The instructor or College/School are requested to submit the course material and assessment criteria for RNZ records. Personal Liability and Indemnity insurance is compulsory for Professional members with Instructor status.

Affiliate Members - \$80.00

Suitable for people who are interested in reflexology, and may or may not be fully qualified. It includes those retired from practice or those who have not completed a practitioner qualification. **N.B. RNZ does not endorse Affiliate members practicing on members of the public.**

Student Members - \$62.50

Anyone currently undertaking a course that meets the required RNZ standards. A student may remain in this membership category for up to 3 years and will not charge for treatments. Upon qualifying they become eligible to apply for Professional Membership.

Life Members

Persons appointed from time to time by the Executive of RNZ, in recognition of service and commitment to RNZ they are exempt from paying a subscription. If the member continues to practice however, they must maintain Professional membership requirements.

You are required to hold a current First Aid certificate before commencing case studies. You may hold this membership category for up to 3 years and will not charge for treatments.

5. Serving the membership – the National Council

In addition to the direct benefits, members gain indirectly from the work carried out by the National Council made up of Executive, Committee and Sub Committee members. The National Council are nominated and elected from the membership at the AGM, additional members may be co-opted at any time. All positions are undertaken on a voluntary basis. The National Council is in contact with the New Zealand Charter of Health Practitioners and RNZ is represented at their meetings. The National Council are in contact with other international reflexology associations and speakers in the field of reflexology world wide.

The National Council represents members and has a direct influence on the development of reflexology in New Zealand. Reports and information are provided to members via the newsletter, website, regional group coordinator and direct mailings.

Reflexology New Zealand is already regarded as an Association of integrity and high standards. Our aim is to support our members enabling them to be successful practitioners.
