

REFLEXOLOGY MANAWATU

DIPLOMA IN REFLEXOLOGY

A ReflexologyNZ (RNZ) accredited practitioner course which provides an opportunity for individuals to become professional Reflexologists.

This course also provides a vehicle to join ReflexologyNZ (RNZ), a progressive natural therapies association and a recognised Primary Healthcare provider

Stepping Forward Together

REFLEXOLOGY

- Introduces you to a natural, purposeful, directional health and healing modality, utilising the principles that there are reflexes in the feet, hands and ears reflecting all areas and organs of the body.
- Reflexology is a powerful touch therapy, which has proven beneficial in returning the body/mind to homeostasis.
- Reflexology is suitable for all age groups and for all health conditions provided the guidelines are followed and used responsibly.

COURSE AIM

- For students to have an awareness of the principles of Reflexology and to become competent to perform Reflexology to a professional standard. This course qualifies the student to practice as a Reflexologist.

MY AIM

- Is to facilitate learning by exploring ideas, and to assist you in developing skills for your future as a professional Reflexologist. Please inform me of any specific learning needs to ensure your goals are achieved.
